

It is that time of the year to start planning for Ridgedale's Career Week that will take place April 9th to April 13th. We will be having different activities for the students each day. **Career Day** itself will be held on **Friday, April 18, 2018, from 9:15 – 11:15.**

We would love to have you participate in Career Day and would be honored to have you speak to our students about your career. We would like to give our students the opportunity to explore possible career choices and learn how education is connected to a successful future. We are looking for a broad range of careers. Each presenter will have about 10 - 15 minutes to explain his or her career to the students. We welcome hands-on visual aids, displays, props, and uniforms. You can choose to speak to only your child's grade level, another grade level, or all grade levels.

Also, we are doing a **Careers on Wheels Day on Wednesday, April 11, 2018, from 9:15 to 11:30.** I am looking for parents, community members, and local businesses who would like to spend a few hours with us, bring their work vehicle, and talk to our students about what they do for a living. The Careers on Wheels day is held in our school parking lot. Last year our students enjoyed seeing the different vehicles and we hope to have more this year with the help of our parents.

If you or someone you know will be able to help us on Career Day or Careers on Wheels Day. **Please fill out the form below and return it to the school by February 2, 2018.** You will then be contacted to discuss more details about the event.

Please feel free to contact me with any questions and we look forward to seeing you!

Thank you,

Meghan Beech
